I have canceled you from the course.

Thanks,

Hi Pam – I am a R8 OSC, and I have been deployed to the Gold King Mine Response and was instructed by management to cancel all other field work and training. Therefore, I won't be able to attend the course starting tomorrow. I'm sorry about that. I will look to see when the next course is bc I was really looking fwd to attendance. Thank you for understanding.

Joni Sandoval.
